

MSGDA Ground's Training Rules

- Safety for ourselves and our dogs is the number one priority, let's be sure to exercise common sense in training and setup to keep everyone safe.
- Share the training grounds with all members present, grounds are for the exclusive use of members of the Midnight Sun Gun Dog Association.
- Obey all posted signage.
- No motorized equipment allowed.
- Removal of logs or large woody debris is prohibited.
- Cutting of trees or firewood is prohibited.
- Do not engage in any activity that causes damage to the property
- No littering, pick up all trash especially glass bottles
- Dispose of all training birds properly and always off of the training grounds.
- Fires are not allowed
- Use appropriate personal protective equipment (hearing/eye protection & life jacket).
- Treat every firearm as though it were loaded.
- The use of lead shot is not allowed.
- Obey all State, Federal and Matsu Borough laws.
